Business – Meeting opened at 7:30pm

November's meeting was opened at 7:30pm to allow for any latecomers and discussions. The meeting was held in the Hospital café rather than conference rooms.

Kate Olsen opened the meeting and introduced the topic of the night: Fair Isle knitting. The meeting was promptly turned over to Susan Levine who taught the Fair Isle knitting lesson for the evening.

Dues: Dues continued to be collected and for anyone still needed to pay the Guild mailing address was provided. Dues can still be submitted at a meeting, by mail or at Stitch Your Art Out.

Program: November's Program was Fair Isle knitting. Susan Levine provided the group with several patterns to choose from and demonstrated for us how to knit in the Fair Isle technique. The remainder of the evening was spent practicing the Fair Isle technique with Susan and a few others offering up helpful advice!

Meeting was adjourned at 9:00pm.
